

INTEGRATE WITH QUICKBOOKS®

Update Your Accounting and Job Costing in One Click

Run your payroll with Payroll4Construction.com, and update your QuickBooks® general ledger with one easy button. Our integration tool instantly creates a single detailed journal entry, including:

- ✓ General ledger account
- ✓ Job costing to your jobs or sub-customers
- ✓ Fringes and burden by job
- ✓ Indirect and G&A costs
- ✓ And processing payments

QUICKBOOKS® DESKTOP*

- 1 Receive completed payroll notification
- 2 Log in to the integration desktop app
- 3 Click to import for your payroll date

QUICKBOOKS® ONLINE

- 1 Receive completed payroll notification
- 2 Log in to the client file site
- 3 Click to import for your payroll date

*Integration tool requires QuickBooks 2010, Enterprise 10.0, Online or newer.
QuickBooks is a trademark of Intuit Inc., registered in the United States and other countries.
